

# 2022-23 pricing

We have a rolling drop-off from 8:30 to 9 am.

The 9-1 preschool program is \$50 a morning. (there are 177 school days on the calendar for the school year)

Any additional hours are \$10 an hour.

(I am happy to figure out all the costs - just let me know what you wish the schedule to be!)

We apply a 10% discount to siblings' hours if one child is enrolled for at least 4 days.

We open at 7 am and close by 6.  
(This timing depends on need)

After-school programming is billed at the end of the month at \$12 an hour - the minimum charge per day is 2 hours.

We are also a bus stop for the morning bus to Miller Driscol.

"Camp" days are offered for almost all school holidays and we follow preschool pricing for these days.
